COLD HEARTED

Beverly Barton

New York Times bestselling author Beverly Barton returns with a spine-tingling thriller about a cunning female serial killer who is not whom she appears to be.

They all loved her. That was their mistake. Two husbands, her college fiancé, an influential boss—every man who gets close to Jordan Price is made to pay in blood. And the list is growing...

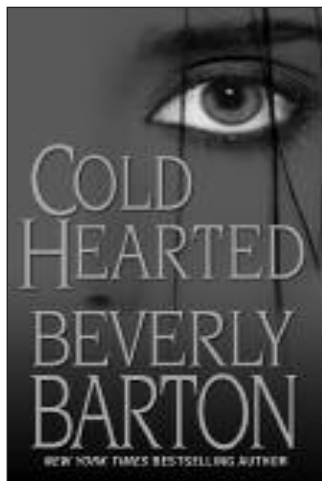

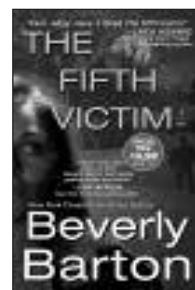

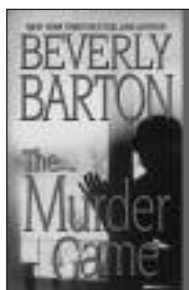

Hired by the Powell Agency to investigate Senator Dan Price's death, Rick Carson can see at once why people would believe Jordan Price incapable of cold-blooded murder. Slender, pale, and elegant, she stands by her late husband's graveside exuding sweet vulnerability. Only Rick notices that she never sheds a tear. And the deeper he delves into the string of deaths from which Jordan has profited handsomely, the more convinced Rick becomes that he is dealing with a callous, cunning, unstoppable killer.

The closer Rick gets to the chilling truth, the more dangerous this game of cat-and-mouse becomes. The targets are changing, and suddenly, nothing and no one is safe. If Jordan is as innocent as she claims, Rick may have placed her in a killer's cross hairs. And if she's guilty, he'll never live to regret it.

New York Times bestselling author **Beverly Barton** has written over fifty contemporary romance novels and created the popular "The Protectors" series for Silhouette's Intimate Moments line. This sixth-generation Alabamian is a two-time Maggie Award winner, a two-time National Reader's Choice Award winner, and a recipient of a *Romantic Times* Career Achievement Award for Series Romantic Adventure. She is currently working on her next novel of romantic suspense for Zebra Books.

But when another young girl disappears on her way to class, Kate's fear resurfaces in earnest. She's right to be afraid. Behind Wickfield's picture-perfect façade, a nightmare is unfolding...and it's about to strike chillingly close to home.

A serial killer is on the loose...ruthless, twisted, and lethally smart. Now, locked in a desperate race against time, Kate's only chance of stopping a madman's grisly game is to venture deeper into a diabolical web where no one is who they seem to be...and the smallest mistake could be her last.

As Demon King, Noah is dedicated to protecting his kind from their human and Nightwalker enemies. Yet for six months he has struggled with vivid dreams that threaten his very sanity. Every night he's tormented by images of a woman both achingly real and tantalizingly beyond his grasp. And his bone-deep need leaves him no choice but to force her to leave the life she's known and enter a world beyond her imagining.

Every day, Kestra risks her life in perilous missions that veer just shy of the law, but she instinctively knows that the imposingly sensual figure before her is a danger unlike any she's ever faced. Kestra has sworn never to trust or need another man, but Noah's lightest touch scorches her with fevered desire, branding her as his mate, blinding them both to the terrifying truth. For within the ranks of their own people lies an adversary growing in number and power. And nothing and no one will be safe again.

"Noah is sure to enchant."—Karen Marie Moning

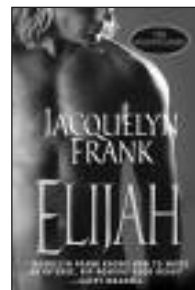

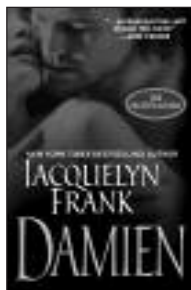

Jacquelyn Frank is currently living in North Carolina, and has been writing romantic fiction ever since she picked up her first teen romance at age thirteen. Jacquelyn lives with a precocious seven-year-old girl and her four "children," a quartet of male domestic shorthaired cats whose personalities have often inspired aspects of her characters. A former Sign Language Interpreter and substitute teacher, she is a powerful advocate of reading and writing.

Kiyosaki (*Rich Dad, Poor Dad*) and his involvement in Donald Trump’s empowerment seminars, Percy has written *Guaranteed Success*, the first real African-American self-help guide to personal success in decades. Applicable to anyone striving for greatness, *Guaranteed Success* is a prescriptive guide to building a foundation for generational wealth, achieving personal goals, and living a prosperous and purposeful life.

“Master P is one of the best business men I’ve ever met.”—Donald Trump

“Master P’s *Guaranteed Success* is guide for success not only for African American but people of all races.”

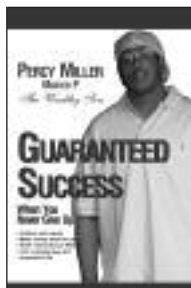

—Robert T. Kiyosaki, *New York Times* bestselling author of *Rich Dad, Poor Dad*

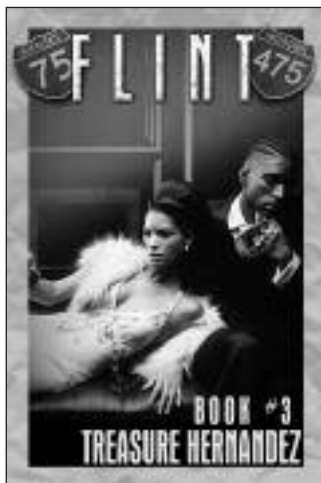

Percy Miller, also known as the rapper Master P, has sold over 75 million CDs and is the father of successful rapper and television star Little Romeo. His success is known worldwide and he has earned the respect of well-known entrepreneurs, Donald Trump and Robert Kiyosaki. Miller was a season 2 cast member of ABC’s hit primetime TV show, *Dancing with the Stars*.

Then there are Lisette's favorite clients—the wives who don't want a divorce but instead want control. That's what her new client, Kyra, wants. And that's just what Lisette was planning to give her—until she met Kyra's husband, Blair. Now Lisette's life will never be the same again...
