Tommy defines the word hot: He’s tall, a terrific kisser, and a total catch. J.T. wants everything he has to give. But Gilbertown, PA, needs their hometown boy back where he belongs and if his plans to help get leaked to the press, there’s going to be hell to pay. Distracting a woman as determined and downright sexy as J.T. isn’t going to be easy. Unless he can show her how heavenly it feels to be held in his powerful arms and...well, hey. She seems to like it. A lot. And so does Tommy.

It’s clear as a freshly chalked baseline that Tommy and J.T. are crazy in love. To hell with reality. They don’t care if they never come back.

Some evils are so great that they transcend death. In Brandon Massey's "The Patriarch," a young writer travels to the hushed backwoods of Mississippi, where dangerous secrets surface as a generations-old feud comes to bone-chilling new life. In L.A. Banks's "Ev'ry Shut Eye Ain't Sleep," violent visions haunt a man—until he's handed an opportunity to right the wrongs of the past and prevent unspeakable acts from occurring once again. Finally, in Tananarive Due's "Ghost Summer," ancestors haunt the nights of two children. And when a grisly discovery is made, these ancestors will make their mark on both the dead and the living...

RUN JANE RUN

Jane Wells

A riveting, first-hand account of an abused mother's courageous and frantic battle to escape with her children from her stalker-turned-murderer husband.

Jane Wells's marriage to her abusive second husband, Michael, was a nightmare. But when she tried to escape, her life became an unimaginable hell. Michael had no intention of letting Jane go. He drove to her home, when Jane's first husband, Johnny, was visiting, and shot Johnny three times in the back, killing him. Michael then attempted to kill Jane, but she managed to escape with her children.

After he was apprehended and stood trial, Michael was unbelievably still considered a "fit father" and Jane was forced to accept his calls and letters to their children. This is the gripping true story of her heroic efforts, in and out of courts, to save herself and her children while living in constant fear of a once-loved husband who became a sadistic killer.
