

**“Cross is one of the greatest creations of thriller fiction.”** —Dallas Morning News

**Coming August 2009**

## ALEX CROSS'S TRIAL

**James Patterson & Richard DiLallo**

**Detective Alex Cross tells an ancestor's story, an astonishing account of one man's bold pursuit of justice in the face of racism and violence.**

The year is 1906, and much of America is segregated. Hatred and discrimination plague the streets, the classroom, and the courts. But in Washington, D.C., Ben Corbett, a smart and courageous lawyer, makes it his mission to confront injustice at every turn. He represents those who nobody else dares defend, merely because of the color of their skin. So when President Roosevelt asks Ben to investigate rumors of the resurgence of the Ku Klux Klan in his Mississippi hometown, he cannot refuse.

The details of Ben's harrowing story—and his experiences with a remarkable man named Abraham Cross—were passed from generation to generation, until they were finally recounted to Alex Cross by his grandmother. From the first time he heard the story, Alex was unable to forget the unspeakable events Ben witnessed in Eudora and pledged to share his experiences with the world. ALEX CROSS'S TRIAL is unlike any story Patterson has ever told, but offers the astounding action and breakneck speed of any Alex Cross novel.
