DANGEROUS DAYS OF DANIEL X

James Patterson & Michael Ledwidge

“The best story I’ve ever written.”
—James Patterson

Daniel’s secret abilities—like being able to manipulate objects and animals with his mind or to recreate himself in any shape he chooses—have helped him survive. But Daniel doesn’t have a normal life. He is the protector of the earth, the Alien Hunter, with a mission beyond what anyone could imagine.

From the day that his parents were brutally murdered in front of his very eyes, Daniel has used his unique gifts to hunt down their assassin. Finally, with the help of The List bequeathed to him in his parents’ dying breath, he has located the killer.

Now, on his own, he vows to take on his father’s mission—and to have vengeance in the process.
