"Everybody is looking for a great story for boys—this is it." —James Patterson

In this highly-anticipated continuation of James Patterson's newest series, Daniel X faces his most challenging nemesis yet. All's quiet in the small town of Holliswood, but not all is as perfect as it seems... A terrifying outlaw has just arrived in the sleepy town and promptly throws it into complete chaos—filming it in the process. Only one person can stop him and his thugs—that person is Daniel X. With the secret ability to manipulate and create objects out of thin air, Daniel has survived on his own ever since his parents were brutally murdered. From that fateful day forward, he has scoured the planet for the killer, vowing justice for his parents. Now, Daniel's goal has come one step closer—to his own town, his very television screen. But not even he can imagine the enormity of this creature's powers. Can Daniel outsmart this renegade TV-host and survive the most challenging test of his life?
