

New from DAN SIMMONS, Bestselling Author of *The Terror*

DROOD

A Novel

Dan Simmons

"I am in awe of Dan Simmons." —Stephen King

On June 9, 1865, while traveling by train to London with his secret mistress, 53-year-old Charles Dickens hurtled into a disaster that changed his life forever.

Did Dickens begin living a dark double life after the accident? Were his nightly forays in London and his deepening obsession with corpses, crypts, murder, opium dens, and a hidden subterranean London mere research... or something more terrifying?

In *The Terror*, Dan Simmons draws from history to create a gloriously engaging and terrifying narrative. DROOD explores the still-unsolved mysteries of the famous author's last years and may provide the key to Dickens's final, unfinished work: *The Mystery of Edwin Drood*.

Chilling, haunting, and utterly original, DROOD is Dan Simmons at his powerful best.

Previous Praise for *The Terror*:

"*The Terror* is nothing less than a revelation. Dan Simmons is a giant among novelists, and I am in awe of his achievement."
—Lincoln Child, author of *Deep Storm*, *Death Match* and co-author of *The Wheel of Darkness*

"Outstanding." —Booklist

"Simmons brings the horrific trials and tribulations of Arctic exploration vividly to life.... This complex tale should find many devoted readers and add significantly to Simmons's already considerable reputation." —*Publisher's Weekly*, (Starred Review)
