YORK TIMES BESTSELLING AUTHOR OF *THE GOLD COAST*

The Gate House

Nelson DeMille

"Nelson DeMille is a true master." — Dan Brown

John Sutter, Wall Street lawyer, returns and finds himself entangled once again in with the Bellarosa Mafia family in this sexy and suspenseful sequel to the bestseller *The Gold Coast*.

John has come back to the Gold Coast of Long Island after almost eight years abroad in England. John wants to start over, to forget the past, but as he soon finds out, that might not be so easy.

Taking up residence in the gatehouse of Stanhope Hall, John finds himself living only a quarter of a mile from his estranged ex-wife Susan. And, while Mafia don Frank Bellarosa is long dead, the victim of Susan's impassioned rage, Tony Bellarosa, Frank's son, is alive and well and still living on the Gold Coast. Although he's a generation removed from the old neighborhood, the old way of doing things, and the old attitudes, Tony still has connections to his father's violent world and John finds himself involved once again in the murky dealings of the Bellarosa family. At the same time, John and Susan's mutual attraction resurfaces, drawing them both into a passionate affair that neither expected, but which neither has the will to resist.
