I HATE PEOPLE! : KICK LOOSE FROM THE OVERBEARING AND UNDERHANDED JERKS AT WORK...

Marc Hershon & Jonathan Littman

A funny and practical guide to outfoxing the underminers, micromanagers, and backstabbers who prowl the corporate minefield.

Face it, whether your company has 10 employees or 10,000, you must grapple with people you can't stand in the office. Luckily Jonathan Littman and Marc Hershon have written *I HATE PEOPLE!*, a smart, counterintuitive, and irreverent turn on the classic workplace self-help book that will show you how to identify the Ten Least Wanted—the people you hate—while revealing the strategies to neutralize them. Learn to fly right by the “Stop Sign” (nay-sayer) and rise above the pronouncements of the “Know-it-None.” *I HATE PEOPLE!* will teach you how to carve out more time for yourself by becoming a “Soloist”—one of those bold individuals daring to work alone or collaborate with a handful of other talented people... while artfully deflecting the rest.
