## JULIE AND JULIA (MEDIA TIE-IN) Julie Powell

The bestselling memoir that's "irresistible....A kind of Bridget Jones meets The French Chef" (*Philadelphia Inquirer*) is now a major motion picture directed by Nora Ephron, starring Amy Adams as Julie and Meryl Streep as Julia. The film *Julie & Julia* will be released by Sony Pictures starting August 2009.

The film is based on this bestselling memoir in which Julie Powell, nearing thirty and trapped in a dead-end secretarial job, resolves to reclaim her life by cooking in the span of a single year, every one of the 524 recipes in Julia Child's legendary *Mastering the Art of French Cooking*. Her unexpected reward: not just a newfound respect for calves' livers and aspic, but a new life-lived with gusto.
