

LIFE 2000-2009

The Decade that Changed the World

FROM THE EDITORS OF LIFE MAGAZINE

9/11. Katrina. Iraq and Afghanistan. The economy. Barack Obama.

Not since the 1960s have the events of a single decade so rocked our country and, indeed, the world. All of the stunning events are revisited in words and riveting pictures as LIFE's editors look back at the extraordinary first decade of the new millennium. And the fun and exciting stories, from American Idol to the rise of the Red Sox, from Harry Potter to vampire-mania, are recaptured as well. Our view of the world around us has changed in the past ten years. In this special book, you see why.
