THE LOVE REVOLUTION

Joyce Meyer

The Love Revolution Creed:

I take up compassion
and surrender my excuses.
I stand against injustice and commit
to live out simple acts of God's love.
I refuse to do nothing.
This is my resolve.
I am The Love Revolution.

Joyce Meyer is not satisfied with the status quo. She believes that we each need to become a revolutionary and practice love everyday. And if Joyce has her way, the revolution will spread—person by person, house by house, town by town, until the old culture of selfishness and greed gives way to a new culture of concern for others. The book is a revolutionaries' manual, a hands-on primer for bringing the Golden Rule to life in the twenty-first century.

Meyer starts out by giving some stunning statistics about poverty, sickness and human problems in the world today. She goes on to say that although this crisis is global, the solution is local. We can't solve the world's problems, but that isn't a reason to remain idle. THE LOVE REVOLUTION focuses on personal behavior on the local scale. It's not just a call to action; it is a call to being: being the person who goes out of your way to encourage someone who's out of hope; being the one who smiles at a stranger; being the one who is willing to do something for nothing. The paradox: when we do something for nothing, what we often get is something far greater.
