

# Matthew Mead's Monster Book of Halloween

*Hundreds of spooky treats and clever crafts for the best holiday ever!*

**BY MATTHEW MEAD**

The must-have book for all who want to create, decorate, and celebrate Halloween—in deceptively simple style. This big book is packed with Halloween treats, party ideas, decorations, crafts, costumes, and more.

Readers will find the projects easy to pull off: store-bought cupcakes are transformed into a Wise Owl Party Cake; the cutest pumpkin on the block is decorated with nothing more than yarn and pushpins. Every idea in this big book has an accompanying photo, and many can be realized in just a few steps.

Our Freaky Foods are at once classic and original: Yummy Mummy Meatloaf makes use of no-boil lasagna; I Scream Sandwiches employ orange sherbet and chocolate wafers. The craft projects emphasize “Re-use, Recycle, and Re-purpose,” starting with inspiration from your cabinets, closets, and junk drawers.

**Matthew Mead** is an author, photographer, and designer whose work regularly appears in such national magazines as *Better Homes and Gardens*, *Real Simple* and *Ladies' Home Journal*. He operates his own style website, [matthewmeadstyle.com](http://matthewmeadstyle.com), and has authored numerous books on food, entertaining, and decorating. Matthew and his wife, Jennifer, live in southern New Hampshire.
