**MY LITTLE RED BOOK** is an anthology of first menstruation stories from girls of all ages, races, faiths, and cultural backgrounds. Collected over four years, the diverse stories range from the light-hearted to the heart-stopping and is the first book to use women's own words to at once demystify and celebrate this universal female rite of passage.

- Contributors include Gloria Steinem, Joyce Maynard, Maxine Kumin, Tonya Hurley, Patty Marx, Megan McCafferty, Tamora Pearce, Cecily von Ziegesar, Jacquelyn Mitchard, Jennifer Baumgardner, and Sara Hickman, among others.
- Uniquely poised to break down cultural taboos surrounding menstruation and to provide educational support and entertainment for women of all ages.
- All royalties from the book will be donated to organizations working to improve young women's rights and education. These include Girls Inc., Planned Parenthood, Choice USA, Seva Mandir (India), and non-profits that provide sanitary supplies to girls in rural Africa who would otherwise miss school during their period.

The author will soon be a freshman at Yale, and is a recent graduate of Choate Rosemary Hall.
