NEVER GIVE UP

Relentless Determination
to Overcome Life's Challenges

Joyce Meyer

"People who are called to greatness meet great challenges," writes Joyce Meyer in this essential new book.

In classic Joyce Meyer style, she provides proven "how-to's" and practical methods along with her encouragement. Joyce has been there. She offers us the benefit of her own experience and helps us avoid the hazards on the way to realizing our dreams.

As we pursue the best in every area of our lives—health, family, finances, career, future, and all the plans God has for us—we will find the inspiration necessary to keep putting one foot in front of the other. No matter how weary we grow on the journey of everyday life, Joyce's message will empower us to persevere through difficulties, and remind us in a variety of ways: "You can do it-whatever 'it' is for you—if you never give up."

JOYCE MEYER is one of the world's leading practical Bible teachers. A #1 *New York Times* bestselling author, she has written more than seventy inspirational books, including *The Confident Woman*; *Look Great, Feel Great*, the entire *Battlefield of the Mind* family of books, and many others. Her television show and radio program, *Enjoying Everyday Life*, reaches out to millions across the globe in over 30 countries.
