

The heart-rending tale about discovering the true spirit of Christmas—now with a new holiday cover!

Holiday cheer is rare in the pediatric ward of a hospital, until the love and compassion of four unlikely friends reveals the joy of Christmas. This is the kind of story that makes readers reach for the tissues, speaking to their hearts while resolving with hope and optimism.

- THE PAPER BAG CHRISTMAS was originally published in Center Street hardcover (978-1-59995-073-0) in 10/08 and has more than 99,000 copies in print. It's being reissued this holiday season with a beautiful new illustrated cover.
- The Children's Cancer Foundation, one of the nation's leading charitable contributors to pediatric cancer research for the past quarter century, is an enthusiastic supporter of this book.
