

RICH DAD ADDRESSES THE ECONOMIC CRISIS— the popular online series is now in paperback!

In January 2009, Robert T. Kiyosaki launched **CONSPIRACY OF THE RICH**, an interactive online book to help people understand how the current recession came about and what they can do to survive these tough times.

- Millions of readers have flocked to the Web site (www.conspiracyoftherich.com) and have posted thousands of comments. Reader feedback and commentary will be included in this trade paperback edition, which will be published approximately a month after Kiyosaki posts his final chapter online.
- Because Kiyosaki has been posting chapters in real-time on a regular basis, he is able to address what is happening to the economy in a timely and topical manner.
- Robert T. Kiyosaki is the bestselling author of *Rich Dad Poor Dad* (Business Plus, 5/00), the bestselling personal finance book of all time.
- Also available from Hachette Audio: Unabr. CD: 978-1-60024-898-6: \$22.98/\$27.98 Can.
