**The perfect vacation has become
the perfect nightmare.**

James Patterson, the #1 bestselling thriller writer, takes us on a life-or-death nightmare. *SAIL* has the blistering pace and shocking twists that is hallmark Patterson. Now available in international mass market.

Only an hour out of port, the Dunne family's summer getaway to paradise is already turning into the trip from hell. Katherine Dunne had hoped this trip would bring back the togetherness they'd lost when her husband died four years earlier. Maybe if her new husband, a high-powered Manhattan attorney, had been able to postpone his trial and join them it would all have been okay. . . .

Suddenly, a disaster hits. Faced with real danger, the Dunes rediscover the meaning of family and pull together in a way they haven't in a long time. But this catastrophe is just a tiny taste of the danger that lurks ahead: someone wants to make sure that the Dunne family never makes it out of paradise alive.

JAMES PATTERSON published his first thriller in 1976 and since then has become one of the best-known and bestselling writers of all time, with more than 140 million copies of his books sold worldwide. He is the author of the two most popular detective series of the past decade, featuring Alex Cross and the Women's Murder Club.

HOWARD ROUGHAN coauthored bestsellers *Honeymoon* and *You've Been Warned* with James Patterson and is the author of *The Promise of a Lie*.
