THE SCARECROW Michael Connelly

"Michael Connelly is the most talented of crime writers." — *The New Yorker*

"Michael Connelly is a hard-boiled pro. His novels are remarkable." — *USA Today*

Jack McEvoy, hardbitten LA newspaperman and hero of *The Poet*, is back in the gripping new novel from #1 *New York Times* bestselling author Michael Connelly. Now in international mass market.

Forced out of the *Los Angeles Times* amid the latest budget cuts, newspaperman Jack McEvoy decides to go out with a bang, using his final days at the paper to write the definitive murder story of his career. He focuses on Alonzo Winslow, a 16-year-old drug dealer in jail after confessing to a brutal murder. But as he delves into the story, Jack realizes that Winslow's so-called confession is bogus. The kid might actually be innocent. Jack is soon running with his biggest story since *The Poet* made his career years ago. He is tracking a killer who operates completely below police radar —and with perfect knowledge of any move against him. Including Jack's.

Also Available is *The Poet*, reissued with a great new cover!
