In *SWIMSUIT*, #1 bestselling author James Patterson unleashes his most diabolical killer ever—a monster with a taste for beauty.

Syd, a breathtakingly beautiful supermodel on a photo shoot assignment in Hawaii, disappears. Fearing the worst, Syd's parents come to Hawaii to investigate for themselves, never expecting the horror that they ultimately discover...

Meanwhile, *LA Times* reporter Ben Hawkins is conducting his own research into the case, hoping to help the victim and get an idea for his next bestseller. No closer to uncovering the kidnapper's identity than when he stepped off the plane, Ben gets a shocking visit that pushes him into an impossible-to-resist deal with the devil. *SWIMSUIT* transports readers to a startling new territory where lying in the lap of luxury may cause you to lose your head...

"Patterson never, and I mean never, disappoints." —Larry King, *USA Today*
