Praise for JAMES PATTERSON'S FAMILY PAGETURNERS:

"Fights and flights are non-stop in *Maximum Ride*. The writing is visual and cinematic—things that kids expect from their video games, TV cartoon shows and action movies." —*USA Today*

"[Patterson] delivers an action-packed cross between Gertrude Chandler Warner's *Boxcar Children* and Marvel Comics' *X-Men*." —*Booklist*

The newest, most exciting Pageturner yet, *WITCH AND WIZARD* transports us to a world where all is not what it seems...

Overnight, an oppressive new regime has taken over America. Martial law has been declared and the government has seized control of virtually everything—including the right to privacy. Their spies are everywhere and could be anyone.

At the time of the takeover, Whit and Whisty—two seemingly normal teenagers—are as shocked and frightened by the change as everyone else. But their world is about to get a whole lot stranger when they are suddenly whisked out of their beds in the middle of the night and imprisoned in a decrepit cell. Neither knows why they have been arrested, but one thing is certain—the government is terrified of them and of what they could do and they have no plans to ever release them. From the creator of the bestselling *Maximum Ride* and *Daniel X* novels comes *WITCH AND WIZARD*, the most terrifying and mysterious series yet with shocking plot twists that will keep you guessing until the very end.

JAMES PATTERSON is the author of the highly praised *Maximum Ride* novels and of bestselling detective series featuring Alex Cross and the Women's Murder Club. His novels have sold more than 160 million copies worldwide. He lives in Florida.
