ALEX CROSS'S TRIAL

James Patterson & Richard DiLallo

Now in international mass market, Detective Alex Cross tells an ancestor's story, an astonishing account of one man's bold pursuit of justice in the face of racism and violence.

As a lawyer in turn-of-the-century Washington D.C., Ben Corbett represents the toughest cases. Fighting against oppression and racism, he risks his family and his life in the process. When President Roosevelt asks Ben to return to his home town to investigate rumors of the resurgence of the Ku Klux Klan there, he cannot refuse.

When he arrives in Eudora, Mississippi, Ben meets the wise Abraham Cross and his beautiful granddaughter, Moody. Ben enlists their help, and the two Crosses introduce him to the hidden side of the idyllic Southern town. Lynchings have become commonplace and residents of the town's black quarter live in constant fear. Ben aims to break the reign of terror—but the truth of who is really behind it could break his heart. Written in the fearless voice of Detective Alex Cross, *Alex Cross's Trial* is a gripping story of murder, love, and, above all, bravery.
