APPROVAL ADDICTION : OVERCOMING YOUR NEED TO PLEASE EVERYONE

Joyce Meyer

Now in international mass market, Joyce Meyer's bestselling book about the need all people possess for appreciation, and how it can consume them if they're not careful.

We have an epidemic of insecurity in our world today. Many people suffer from an unhealthy need for affirmation. They are not capable of feeling good about themselves, which in turn causes major problems in their relationships. For some the quest for approval becomes an actual addiction, as they seek self worth from the outside world because they can't find it within themselves.

Joyce Meyer knows from personal experience the effect insecurity can have on a life. She understands the need for seeking approval from others to overcome feelings of rejection and low self-esteem. The good news, she says, is that there is a cure. God provides all the security anyone needs. Her goal is to provide a pathway toward freedom from the approval addiction. *New Cover to Come.*
