CROSS FIRE

James Patterson

With a supercharged blend of suspense, action, and deception, **CROSS FIRE** is James Patterson's most exciting Alex Cross novel ever.

The Mastermind has resurfaced in DC—and Alex Cross will never see him coming.

Detective Alex Cross is called to the scene of a perfectly-executed assassination of two of Washington D.C.'s most corrupt: a dirty congressman and a scheming lobbyist. Next, the elusive marksman begins picking off other crooked politicians, sparking a blaze of theories—is the marksman a hero or a rogue vigilante?

Alex and Bree are busy with their wedding plans, but as the date approaches, the spree of killings demands all of Alex's attention, and the couple is forced to put the ceremony on hold. The case explodes and Max Siegel from the FBI battles Alex for jurisdiction. As Alex juggles the sniper, the wedding, and the struggle with Siegel, he receives a call from his deadliest adversary, Kyle Craig. After years of silence, the Mastermind is back to his old tricks and will not relent until he has eliminated Cross—and his family—for good.
