DANIEL X: DEMONS AND DRUIDS

James Patterson & Adam Sadler

PRAISE FOR THE DANGEROUS DAYS OF DANIEL X

"[Daniel X] has all the characteristic of his work for grown-ups: pace, action, mystery and cool...sharp and punchy with plenty of jokes and shocks." — *Sunday Times* (UK)

In the thrilling third installment of the bestselling series, pulses will race as Daniel X faces his most destructive and dangerous villain yet—a demon of fire.

Daniel X's hunt to eliminate each and every intergalactic criminal on Earth is relentless, but this time, things are getting personal. Number three on the List of Alien Outlaws takes the form of raging fire—and fire reminds Daniel of the most traumatic event of his life, the horrifying murder of his parents. In the face of his "kryptonite," Daniel struggles with his extraordinary powers like never before, and more than ever is at stake: His best friends are in peril. The only way to save them is to go back—literally—to the demon's arrival during the Dark Ages. Rip-roaring action and humor sets the pages afire in this gripping time-travel adventure with an Arthurian cast and countless other surprises!
