"Masterful!" —Linda Howard, *New York Times* bestselling author on *Cold Hearted*

"A powerful story that kept me up very late— with all the lights on." —Kay Hooper, *New York Times* bestselling author on *As Good As Dead*

New York Times bestselling author Beverly Barton returns with another riveting tale of suspense!

The crime scenes are horrifying: the victims arranged with deliberate care, posed to appear alive despite their agonized last moments and the shocking nature of their deaths.

Chattanooga grief counselor Audrey Sherrod moonlights for the local police. It's clear to her, and to Special Agent J.D. Cass, that the murders are the work of a deranged serial killer. At first, the only link is the victims' similar appearance. But then another connection emerges, tying them to a long-ago series of horrifying crimes Audrey hoped would never resurface— crimes that hit all too close to home.

Each grisly new discovery proves the past has not been forgotten, and the worst is yet to come. Audrey went looking for the truth and she's about to find it...and it will be more twisted and more terrifying than she ever imagined.
