

The bestselling biography of Flannery O'Connor—also a finalist for the National Book Critics Circle Award—is now in paperback!

**NEW
WINTER 2010
EDITION!
ORDER NOW!**

“Flannery O'Connor lives and breathes—and spits fire—in Brad Gooch's portrait of the too short life of the peacock-loving writer who dealt in the dark grotesqueries of human nature.”
—*Vanity Fair*

The landscape of American literature was fundamentally changed when Flannery O'Connor appeared on the scene with her first book, *Wise Blood*. Now, with wit and authority, Gooch brings to life O'Connor's significant friendships with Robert Lowell, Elizabeth Hardwick, and Walker Percy, among others, and illuminates the sources of her unique fictional material. He reveals this canonical American writer in all her profundity and humanity.

- In hardcover, FLANNERY (LB, 978-0-316-00066-6, 3/09) was one of the year's most widely and enthusiastically reviewed books, featured on the front page of the *New York Times Book Review* and in more than 70 magazines and newspapers throughout the country. It is a finalist for the National Book Critics Circle Award, which will be announced on March 11th.
- FLANNERY spent eight weeks on the SIBA bestseller list, four weeks on the GLBA/MBA list, and two weeks on the *New York Times* extended hardcover bestseller list.

“An engaging, sympathetic, and yet intellectually scrupulous biography.”
—*New York Review of Books*

“Gooch is brilliant on O'Connor's fiction, passionate and smart, able to contextualize both the individual pieces and the scope of the career.”
—*Los Angeles Times*
