Praise for PROPHECY OF THE SISTERS:

"This is a brooding, haunting tale of an ancient struggle between living and dead, with two sisters at its heart. It's Gothic, Edwardian, and absolutely un-put-down-able!" —Tamora Pierce, author of the *New York Times* bestselling Beka Cooper series

In this highly-anticipated sequel to *Prophecy of the Sisters*, sixteen year-old orphan Lia Milthorpe continues her quest to end an age-old prophecy that has turned generations of sisters against each other. Having now accepted the responsibilities tied to her role as the Gate, Lia journeys to the uncharted isle of Altus to continue her search for the missing pages of the Book of Chaos—the pages that could tell her how to end the prophecy.

Meanwhile, twin sister Alice continues to hone her spellcasting abilities, completely ignoring the rules that govern the Otherworlds. Alice will stop at nothing to reclaim Lia's role of Gate, and that's not the only thing she wants. There's also Lia's true love, James.

The outcome of this battle between sisters could have consequences of Biblical proportion. And in the end, only one sister will be left standing.

**MICHELLE ZINK** lives in New York and has always been fascinated with ancient myths and legends. Never satisfied with simply reading them, she usually ends up asking, "What if?" Sometimes asking only leads to more questions, but every now and then, when everything falls into place just right, a story is born. *Prophecy of the Sisters* is one of those stories.
