

HALO: UPRISING TPB

You are Petty Officer Spartan-117, better known as the Master Chief. An enhanced super soldier fitted out with the most advanced array of tactical weapons imaginable and a suit of assault armor that will protect you against the most lethal of attacks. Your target is the Forerunner Dreadnought. It is a command craft filled to the brim with hostile Covenant forces and heading for Earth to activate the world-shattering weapon known as Halo. Brought to you by two graphic-arts visionaries, Brian Michael Bendis and Alex Maleev, the story of Halo: Uprising fills in the gap between the conclusion of Bungee's blockbuster video game Halo 2 and the record-setting entertainment juggernaut Halo 3.
