## HITCH-22: A MEMOIR

Christopher Hitchens

"Hitchens also proves to be more than a capable reader; his wit, erudition, and passionate unbelief could not have been conveyed as compellingly by a surrogate."—*Library Journal*

The life story of one of the most admired and controversial public intellectuals of our time. Over the course of his 60 years, Christopher Hitchens—outspoken *New York Times* bestselling author of *God is Not Great*—has led a complicated life filled with multitudes. A citizen of both the US and UK, a war correspondent and a peace activist, and an avowed atheist, Hitchens has a perspective like no other intellectual today. This is the story of his life, lived large.

Over the course of his 60 years, Christopher Hitchens has been a citizen of both the United States and the United Kingdom. He has been both a socialist opposed to the war in Vietnam and a supporter of the U.S. war against Islamic extremism in Iraq. He has been both a foreign correspondent in some of the world's most dangerous places and a legendary bon vivant with an unquenchable thirst for alcohol and literature. He is a fervent atheist, raised as a Christian, by a mother whose Jewish heritage was not revealed to him until her suicide. In other words, Christopher Hitchens contains multitudes. He sees all sides of an argument. And he believes the personal is political. This is the story of his life, lived large.
