THE MURDER OF KING TUT : THE PLOT TO KILL THE CHILD KING...

James Patterson & Martin Dugard

"THE MURDER OF KING TUT effectively portray the exotic ancient world, including colorful insights into Tut's brief reign." —*Bookpage*

A secret buried for centuries

Thrust onto Egypt's most powerful throne at the age of nine, King Tut's reign was fiercely debated from the outset. Behind the palace's veil of prosperity, bitter rivalries and jealousy flourished among the Boy King's most trusted advisors, and after only nine years, King Tut suddenly perished, his name purged from Egyptian history. To this day, his death remains shrouded in controversy.

The keys to an unsolved mystery

Enchanted by the ruler's tragic story and hoping to unlock the answers to the 3,000 year-old mystery, Howard Carter made it his life's mission to uncover the pharaoh's hidden tomb. He began his search in 1907, but encountered countless setbacks and dead-ends before he finally, uncovered the long-lost crypt.

The clues point to murder

Now, in THE MURDER OF KING TUT, James Patterson and Martin Dugard dig through stacks of evidence—X-rays, Carter's files, forensic clues, and stories told through the ages—to arrive at their own account of King Tut's life and death. The result is an exhilarating true crime tale of intrigue, passion, and betrayal that casts fresh light on the oldest mystery of all.

JAMES PATTERSON published his first thriller in 1976 and since then has become one of the best-known and bestselling writers of all time, with more than 170 million copies of his books sold worldwide.

MARTIN DUGARD is the *New York Times* bestselling author of such nonfiction titles as *Chasing Lance*, *The Last Voyage of Columbus*, *Farther Than Any Man*, *Knockdown*, and *Into Africa*.
