THE POSTCARD KILLERS

James Patterson & Liza Marklund

"Patterson boils a scene down to the single, telling detail, the element that defines a character or moves the plot along. It's what fires off the movie projector in the reader's mind." —Michael Connelly

James Patterson teams up with Europe's #1 bestseller Liza Marklund to create the scariest vacation thriller ever.

NYPD detective Jack Kanon is on a tour of Europe's most gorgeous cities. But the sights aren't what draw him—he sees each museum, each cathedral, and each restaurant through a killer's eyes.

Kanon's daughter, Kimmy, and her boyfriend were murdered while on vacation in Rome. Since then, young couples in Paris, Copenhagen, Frankfurt, and Stockholm have become victims of the same sadistic killers. Now Kanon teams up with the Swedish reporter, Gabby Larsen. Every killing is preceded by a postcard to the local newspaper—and Kanon and Larsen think they know where the next victims will be. With relentless logic and unstoppable action, *THE POSTCARD KILLERS* may be James Patterson's most vivid and compelling thriller yet.
