B-Format

THE PRINCE OF MIST
Carlos Ruiz Zafon

Praise for Carlos Ruiz Safron's previous international bestseller *Shadow of the Wind*:

"Anyone who enjoys novels that are scary, erotic, touching, tragic and thrilling should rush right out to the nearest bookstore and pick up *The Shadow of the Wind*."—*The Washington Post*

"Part detective story, part boy's adventure, part romance, fantasy, and gothic horror, the intricate plot is urged on by extravagant foreshadowing and nail-nibbling tension. This is rich, lavish storytelling."—*Booklist*

A mysterious house with an unimaginable secret...It is war time, and the Carver family decides to leave the city to settle in a small coastal town where they have bought a house. But from the moment they cross the threshold, strange things begin to happen. In the mysterious house lives the spirit of Jacob, the son of the old proprietor who drowned years ago. With the aid of their new friend Roland, Max and Alicia Carver begin to summon the Prince of the Mists—a diabolic creature who has emerged from the darkness to settle a debt from years past. Soon the three young people find themselves in an adventure of sunken ships and enchanted statues that will change their lives forever.
