Megastar Queen Latifah brings us a book of "lessons" from her past experiences that people of any age can learn from.

Modeled after Maria Shriver's *Just Who Will You Be*, Queen Latifah's goal with **PUT ON YOUR CROWN** is to help young women build a strong sense of self-esteem. Queen Latifah has always been a shining example of a woman happy with herself and unwilling to compromise to fit into the "Hollywood ideal" of what a confident beautiful woman should look like. The result: she's one of the biggest A-list celebrities in Hollywood.

And now, here is her story, showcasing her strength and dignity in the face of adversity and how other young women can do the same.

QUEEN LATIFAH is an international music superstar. Her record-breaking albums include "All Hail the Queen," which also went platinum, "Nature of a Sista," and "Black Reign"; her newest album "Persona" was released in August 2009. She has also starred in a plethora of feature films including: *Set It Off*, *The Perfect Holiday*, *Taxi*, *Bringing Down the House*, *Mad Money*, *Chicago*, and, most recently, *The Secret Life of Bees*. Queen Latifah's first book, *Ladies First: Revelations of a Strong Woman* hit the *New York Times* bestseller's list.
