A richly imagined, thrilling adventure, first in the highly anticipated new series by award-winning author Cornelia Funke.

The Reckless brothers, Jacob and Will, have always looked out for one another, especially since their father disappeared. But Jacob has a secret—he's discovered a magical mirror locked inside their father's study, a mirror that connects to another world... A place where witches haunt the forests and giants and dwarfs roam. A world of thrilling adventures and dark deeds. A world locked in a deadly war.

Soon Jacob is slipping away more and more into the mirror world, making a name for himself as a treasure hunter. His secret seems safe, until one day Will follows Jacob into the mirror, with horrible consequence. Faced with a curse that is quickly turning Will into stone, the brothers are thrust into a race against time to find a cure before Will is lost forever.

Inspired by the Brothers Grimm, master storyteller Cornelia Funke introduces a lush, enchanting world where fantasy meets reality. RECKLESS is a thrilling adventure, a tale of heroism and loyalty, filled with danger, mystery and magic—with fairy tales and legends re-imagined as never before.

**CORNELIA FUNKE** is a multiple award-winning German author, best known for writing the Inkworld trilogy as well as *The Thief Lord*. The Inkworld books have gained incredible attention and Funke has been dubbed the 'German J.K. Rowling'.
