## SQUIRREL SEEKS CHIPMUNK: A MODEST BESTIARY

David Sedaris Illustrated by Ian  
Falconer

"He's the best there is."—*People*

"A joy to read....Sedaris [is] a connoisseur of human  
nature at its worst."—*Boston Globe*

Something new from the beloved David Sedaris: a book of  
acerbic, outrageously funny fables, featuring animals with  
unmistakably human failings.

Featuring David Sedaris's unique blend of hilarity and heart, this  
new collection of keen-eyed animal-themed tales is an utter  
delight. Though the characters may not be human, the situations  
in these stories bear an uncanny resemblance to the insanity of  
everyday life. In "The Toad, the Turtle, and the Duck," three  
strangers commiserate about animal bureaucracy while waiting in  
a complaint line. In "Hello Kitty," a cynical feline struggles to sit  
through his prison-mandated AA meetings. In "The Squirrel and  
the Chipmunk," a pair of star-crossed lovers is separated by  
prejudiced family members.
