Nicholas Sparks

New Pub Date of March 1, 2010!

THE LAST SONG stars teen superstar sensation Miley Cyrus, coming to theaters starting April 2nd, 2010!

In the tradition of *A Walk to Remember*, this is a story of a teenage girl and her first encounter with heartbreak—and love. The heroine of the story is a young girl living in New York City whose world collapses when her parents' marriage breaks up. Angry and confused, she rebels in the way teenagers often do, and in desperation, her mother sends her down to North Carolina to live with her father, a man who has left his high powered job to live in small town and immerse himself in a work of art that will become the centerpiece of the local church. The tale that unfolds is an unforgettable story of love on many levels—first love and love between parents and children—that demonstrates, as only a Nicholas Sparks novel can, the many ways that love can break our hearts...and heal them.
