Sisters of Misery

Mean Girls meets Vampire Academy in a tantalizing, gothic YA
novel with significant crossover appeal—now in mass market.

Months after leaving Hawthorne, Massachusetts, Maddie Crane is
feeling almost normal again. Almost. She still dreams about the
Sisters of Misery, the sinister group of powerful girls that ruled
her old school, and of a terrible night on Misery Island that led to
Cordelia LeClaire's disappearance.

But now an unexpected phone call is forcing Maddie to leave her
Maine boarding school and return to Hawthorne to face the
wrath of the sister she wronged. In this town layered in mystery,
a centuries-old legacy is making itself known again, and Maddie
may get all the answers she seeks...at a price.
