

# NOW IN PAPERBACK

In the popular immersion journalism tradition of *The Year of Living Biblically*, a college sophomore spends a semester investigating Liberty University, the Reverend Jerry Falwell's "Bible boot camp."

"A remarkable book . . . fascinating, funny, and nuanced—just what the culture wars need. Hallelujah for Kevin Roose."  
—A. J. Jacobs, bestselling author of *The Year of Living Biblically*

When Kevin Roose leaves his Ivy League confines to spend a semester at Liberty University, a conservative Baptist school in Lynchburg, Virginia, obedience is no longer optional. Hilarious and heartwarming, respectful and thought-provoking, *THE UNLIKELY DISCIPLE* will inspire and entertain believers and nonbelievers alike.

- Published in March 2009, the Grand Central Publishing hardcover (978-044-17842-6) received great reviews and has gone back to press five times since publication.
- The *New York Times* says "Roose's 'amateur ethnography' is most useful not for its quick glosses of political and doctrinal issues, but for its vivid, sunny and skeptical portrait of life among the saved."
- Amazingly and completely by chance, the author got the final interview with the late Reverend Falwell for the Liberty school paper.

**"[Roose] tells his story entertainingly... level-headed, nuanced, keenly observant."**

**"Roose may be young...but he writes like a seasoned veteran."**
