In this critically acclaimed and beloved middle grade fantasy, a young girl named Minli leaves her impoverished village and embarks on a magical journey to see the mythical Old Man of the Moon to ask him how she can bring her family prosperity. Along the way, Minli is joined by a talking dragon who can't fly, and together they set out to find the Old Man of the Moon to ask him to fulfill their dreams. This novel, which has earned three starred reviews, is also accompanied by Grace's child-friendly illustrations, including gorgeous full-color plates.
