GHOSTGIRL

Tonya Hurley

"Hurley, an independent filmmaker, debuts with this glittering comedy, a prime exemplar of what might be called *demento mori*, a growing subgenre of satire about teens who will not or cannot die. Plotlines raise the stakes, putting Hurley's consistent wit to the service of classic themes about claiming identity...And given the polished dark-and-deadpan humor, it's a natural fit with Gen Y, too." —*Publishers Weekly* (starred review)

"Tim Burton and Edgar Allan Poe devotees will die for this fantastic, phantasmal read." —*School Library Journal* (starred review)

Rights sold in Italy, Spain, Poland, Korea, Brazil, Denmark, Japan, Germany, France and the U.K.

*New York Times* YA Bestseller now in trade paperback. Charlotte Usher feels practically invisible at school, and then one day she really is invisible. Even worse: she's dead. And all because she choked on a gummy bear. But being dead doesn't stop Charlotte from wanting to be popular; it just makes her more creative about achieving her goal.

If you thought high school was a matter of life or death, wait till you see just how true that is. In this satirical, yet heartfelt novel, Hurley explores the invisibility we all feel at some times and the lengths we'll go to be seen.
