ARTHUR TURNS GREEN Marc Brown

Arthur's back and greener than ever in the first new adventure from author and illustrator Marc Brown. Just in time for, Earth Day—April 22nd 2011!

Arthur is full of ideas when it comes to doing his part to save the planet but is he *actually* turning green?

Arthur comes home from school and begins sneaking around the house, taking notes and talking about a Big Green Machine. D.W. is suspicious of her brother's weird behavior, and when Arthur shows up late for dinner with green hands, she *really* gets the creeps! Will the Big Green Machine get her too?

For the first time in nearly ten years, Marc Brown has created another heartwarming tale in his beautiful classic art style. Taking a cue from Arthur, and in the true spirit of Earth Day, this vibrant picture book has a recycled jacket and case, and is printed

32 pages of full color illustrations for children from 3-6 years old.
