A SUMMER IN EUROPE MARILYN BRANT

Marilyn Brant, author of the acclaimed *According to Jane*, transports readers across the pond on a grand journey of self-awakening amidst the classic architecture and stunning vistas of Europe—and a young woman discovers that the ancient wonders around her are nothing compared to the renaissance unfolding within....

On her 30th birthday, Gwendolyn Reese is given an unusual gift by her eccentric aunt: a summer grand European tour, arranged through her aunt's Sudoku and Mahjongg Club. Gwen reluctantly leaves her “almost fiancé” and heads to Europe with her aunt and a collection of offbeat club members. Abroad, Gwen is slowly but surely transformed. She has conversations she'd never expected, is spellbound by London theater, touches a glacier, races through the Louvre, and shares a passionate kiss with a wild young physics professor. And when her old life comes calling again, she must choose between the practical choices she's always made, and a world open to infinite possibilities...
