BONJOUR, HAPPINESS!: SECRETS TO FINDING YOUR JOIE DE VIVRE

Jamie Cat Callan

Following the success of *FRENCH WOMEN DON'T SLEEP ALONE*, in her new book Jamie Cat Callan goes beyond relationship advice to offer her unique brand of guidance for whole life happiness.

BONJOUR, HAPPINESS! tells the story of author Jamie Cat Callan's journeys through France, but also includes her struggles with weight and body image, accepting middle-age, coping with a new marriage at age fifty, and rediscovering her French heritage.

Jamie Cat Callan unabashedly embraces the beauty, mystery and magic of discovering a new culture. It is told from the point of view of an innocent abroad—someone who is searching for inspiration from not just the French, but particularly from French women. As a middle-aged woman living in youth-obsessed America, the author searches for the French answers to the issue of aging gracefully and finding joy in her imperfect body. She is not so interested in finding the Fountain of Youth, as she is in finding the Fountain of Happiness.
