## **DISTURBED** **KEVIN O'BRIEN**

A series of grisly murders have haunted Seattleites and baffled police. A mad man known as the Cul-de-sac Killer has methodically murdered several families in their homes. Each murder site has been on a cul-de-sac. Each victim has been found inside a closet in their home, strangled or stabbed. But it seems someone else is behind what's happening to Molly Dennehy, her family and her neighbors—someone bent on vengeance, someone deeply disturbed.

When the ex-wife of Molly's husband is slain in what appears to be another cul-de-sac murder, the mad man behind those killings knows he has a copy cat. He goes after his imitator in a rampage that takes him all over Seattle— and right to Molly's front door...
