THE FIVE LEVELS OF LEADERSHIP: PROVEN STEPS TO MAXIMIZE YOUR POTENTIAL

JOHN C. MAXWELL

With his seminal work, *New York Times* bestselling author John C. Maxwell returns to Center Street, sharing five stages of leadership and how to maximize each.

True leadership isn't a matter of having a certain job title. In fact, being chosen for a leadership position is just a first step toward becoming an influential, respected, and effective leader. To rise beyond merely being "the boss"—someone people follow only because they have to—one must be dedicated to helping others. To create an effective and motivated team, a leader must also commit to achieving results. But to master leadership requires an investment in developing the ability of others to also grow into achievers and leaders in their own right.

With more than 20 million books sold, John C. Maxwell is considered the world's most popular author on leadership. His most recent successes with Center Street have been *Make Today Count* and *How Successful People Think*, which have each sold well over 120,000 copies.

"John has been a mentor and teacher for me for many years and what I love most about him is that he has pushed and helped me personally go through the '5 Levels of Leadership!'" —Kevin Turner, COO—Microsoft
