GIDEON'S CORPSE

DOUGLAS PRESTON, LINCOLN CHILD

Bestselling authors Douglas Preston and Lincoln Child return with their second book in an all-new series featuring the unforgettable Gideon Crew.

After escaping death in *Gideon's Sword*, nuclear scientist and ex-thief Gideon Crew wants to relax. Fate intervenes: a colleague of Gideon's Reed Chalker, has taken an innocent family hostage and is ranting about government conspiracies. Gideon tries to talk him down, but Chalker kills one of the hostages and is gunned down by a SWAT team.

At the scene of the shooting, they discover Chalker was exposed to a massive dose of radiation poisoning—and that he is part of a terrorist cell about to detonate a stolen nuke. As Crew follows the cell's dangerous trail, he finds himself framed as one of the terrorists. On the run and pursued by half a dozen law enforcement agencies, the only way to prove his innocence is to find the real terrorists and prevent their attack. But as he nears the truth, he finds it lies much closer to home—and is even more horrifying than nuclear Armageddon.
