## GUILTY WIVES

**JAMES PATTERSON, DAVID ELLIS**

Abbie Elliot gave up her life to follow her diplomat husband to Zurich. Now, she and her three best friends are in desperate need of a weekend getaway and decide it's the perfect time for flying to Monte Carlo.

They surrender themselves to every temptation: fine dining, high-stakes gambling, and gorgeous men. But the fun comes to a screeching halt when two bodies are found and they become the police's prime suspects.

In a dramatic trial, the women's lives are laid bare. It becomes clear that they have been framed, but one question remains: Who is trying to lock them away forever? With delicious twists and death-defying speed, *GUILTY WIVES* is a nonstop joy-ride of excess, friendship, and betrayal as only James Patterson can create.
