What does it take to make a SEAL? Don Mann, who has worked in some capacity with the SEALs for the past 30 years, describes in full detail what SEAL team training is really like: in air, on land, and at sea, across all disciplines, with powerful you-are-there narratives about recent events. This will be the most up-to-date, comprehensive book on SEAL Team Six.

- Don Mann (CW03, USN) has served with the Navy SEALs as a platoon member, assault team member, boat crew leader, and advanced training officer. He is still deeply connected to the SEALs, as a program training director. Up until 1998, he was on active duty with SEAL Team Six.
- SEAL Team Six has been secretly involved in every major U.S. military operation since their founding in World War II. Many of the active duty members of SEAL Team Six were personally trained by Don Mann.
