

# Book Two In the Thrilling *Mythos Academy* Series Perfect for Fans of Suzanne Collins and Richelle Mead

A Stand-Out  
Supernatural  
Y.A. Series

## KISS OF FROST JENNIFER ESTEP

In the second of a thrilling new young adult series set at the school of myths, magic, and warrior whiz kids, Jennifer Estep combines the nonstop action of Suzanne Collins's *New York Times* bestselling *Hunger Games* trilogy with the paranormal romance of Richelle Mead's *Vampire Academy* series.

At Mythos Academy, teen warriors in the making train to take up their roles protecting humankind. With her snarky, self-deprecating voice and strange gift of psychometry—the ability to know an object's history just by touching it—Gwen Frost is an outsider both to the students of the Academy and the rest of the world. But now that she's taking private tutoring with the Academy's most notorious young Spartan, and has Nike's own sword to protect her, she's ready to make her mark...
