BROUGHT TO JUSTICE is a history of Osama bin Laden's infamous campaign against America and our decade-long attempt to find and bring him to justice. Produced by the same team of *LIFE* editors who created *One Nation* (LB, 11/01), the definitive book on the 9/11 attacks, this thorough and timely volume includes photographs taken from inside Al Qaeda and in battlegrounds around the globe—including New York City, Somalia, Tora Bora and, finally, Abbottabad. The last chapter includes a detailed depiction of the mission that eliminated bin Laden, with images from his Pakistani compound and the Washington, D.C., war room.

- Past collaborations between *LIFE* and Little, Brown include the #1 *New York Times* bestselling *LIFE: One Nation*, with more than 1.3 million copies sold, and the *New York Times* bestseller *LIFE: The American Journey of Barack Obama*, with more than 200,000 copies sold.
